

Victoria Carlton's training for:

JOLLY GRAMMAR 1,2,3

Professional Development for Teachers

Jolly Grammar is a GRAMMAR WITHOUT GROANS, multisensory literacy program that teaches:

- ✓ Grammar
- ✓ Punctuation
- ✓ Phonics
- ✓ Spelling

The program applies to children from 7-12 years (and beyond for children with learning difficulties.) The children learn a unique combination of movements and colours to help them learn the basic elements of grammar. This means they learn the “nuts and bolts” of writing easily and naturally. They learn how to incorporate this knowledge into their oral language and writing.

JOLLY GRAMMAR fits within the national curriculum guidelines and will promote much higher literacy standards for all your students.

***** This course teaches the content of JOLLY GRAMMAR 1, 2, 3 and explores effective ways to help all students understand and apply this knowledge to their speaking and writing.**

By attendance at this thought-provoking and practical seminar teachers will learn:

- Why this approach is so effective and multisensory methods to introduce spelling and grammar concepts.
- Which grammatical structures to introduce and a suggested order, signs, colours and games
- Practical, enjoyable and structured strategies to improve spelling skills, grammar and therefore oral and written expression.
