

It's a good idea to know the science!  
Give kids what they actually  
NEED to SUCCEED!

Victoria Carlton's Programs are  
Science of reading aligned and evidence based.

**Jolly Grammar** is GRAMMAR WITHOUT GROANS, a multisensory literacy program that teaches:

- ✓ **Grammar**
- ✓ **Punctuation**
- ✓ **Phonics**
- ✓ **Spelling**

The program applies to children from 7-12 years (and beyond for children with learning difficulties.) The children learn a unique combination of movements and colours to help them understand the essential elements of grammar. This means they learn the “nuts and bolts” of writing easily and naturally. They learn how to incorporate this knowledge into their oral language and writing skills.

**JOLLY GRAMMAR fits within the national curriculum guidelines and will promote much higher literacy standards for all your students.**
